It ~~a~~ seems necessary only to consider the point raised by the Government of India in their latest letter dated the 8th of July.1944. The point there made is that payments for goods from an employer's grain shop are deductions from wages and it is therefore necessary to authorise these deductions. But this Government has already issued such an authorisation in Govt. Notification 6378/34(2) dated 12-10-1943. It is only necessary to point out the existence of this notification to the Government of India. There is no legal position to be explained. The ~~last~~ latest letter of the Government of India does not raise any question relating to Government Notification 6378/34(1) dated 12-10-1943.
